EXPAND YOUR KINDERGARTNER'S LEARNING OPPORTUNITIES

Reinforce your child's classroom learning with Kindergarten Plus, a structured, academic enrichment program based on State and District standards to complement concepts introduced in the classroom. We offer the Kindergarten Plus program in the morning and afternoon for children who attend Kindergarten during the other half of the school day. Our professional and caring Ystaff implement developmentally-appropriate experiences that enhance those skills taught in Kindergarten.

The YMCA Kindergarten Plus curriculum components include:

- Language Arts/Literacy
- Mathematics and Science Exploration
- Arts and Sensory
- Music and Movement
- Character Development
