# WASHINGTON STATE LEGAL FIREWORKS SOLD IN LICENSED FIREWORK STANDS AND TENTS

## CONES FOUNTAINS

Cardboard or heavy paper cone containing pyrotechnic composition. The effect is the same as that of a cylindrical fountain.

## MULTI AERIALS

Heavy cardboard or paper tube attached to a wood or plastic base and containing pyrotechnic composition. Upon ignition, "stars" or other devices are propelled into the air. The tube remains on the ground.

## GROUND SPINNERS

Small device similar to a wheel in design and effect, placed on the ground and ignited. The rapidly spinning device produces a shower of sparks and color.

## ROMAN CANDLES

Heavy paper or cardboard tube containing pyrotechnic composition. Upon ignition, up to ten "stars" pellets of pressed pyrotechnic composition that burn with bright colors are individually expelled at several-second intervals.

## SMOKE DEVICES

Tube or sphere containing pyrotechnic composition which, upon ignition, produces white or colored smoke as the primary effect.

## MINE/SHELLS

Heavy cardboard or paper tube attached to a wood or plastic base and containing pyrotechnic composition. Upon ignition, "stars" or other devices are propelled into the air. The tube remains on the ground.

## WHEELS

Pyrotechnic device attached to a post or tree by means of a nail. Each wheel may contain up to six driver units containing pyrotechnic composition. Upon ignition, the wheel revolves producing a shower of color, sparks and sometimes a whistling effect.

## HELICOPTERS AERIAL SPINNERS

Helicopter, aerial spinner. A tube not more than 1/2 inch (12.5 mm) inside diameter and containing up to 20 grams of pyrotechnic composition. A propeller or blade is attached, which, upon ignition, lifts the rapidly spinning device into the air. A visible or audible effect is produced at the height of flight.

## PARACHUTES

Heavy cardboard or paper tube attached to a wood or plastic base and containing pyrotechnic composition. Upon ignition, "stars" or other devices are propelled into the air. The tube remains on the ground with a parachute(s) that floats to the ground.

## NOVELTIES

The term "trick and novelty devices" shall mean any small firework device not classified as consumer or display fireworks by the United States Department of Transportation or elsewhere in these rules, including: Snakes, glow worm, pop-it's and sparklers.
